Export Control Clause for Sales and Services

EXPORT CONTROL & SANCTIONS

- 1.1.** Seller (ProLeiT) is subject to the laws of, and the items provided by Seller under this Agreement contain or may contain components and/or technologies from, the United States of America (“**US**”), the European Union (“**EU**”) or other nations. Buyer acknowledges and agrees that the supply, assignment and/or usage of the products, software, services, information, other items and/or the embedded technologies (hereinafter referred to as “**Deliverables**”), and all activities carried out under this Agreement shall fully comply with applicable trade, export control, embargo, economic or financial sanctions or anti-boycott laws, regulations, rules and/or restrictive measures imposed, administered or enforced from time to time by the United States, the United Kingdom, the European Union, and other applicable jurisdictions (hereinafter referred to as “**International Trade and Sanctions Controls**”).
- 1.2.** Unless applicable International Trade and Sanctions Controls authorizations have been obtained from the relevant authority and the Seller has approved, the Buyer shall not take any action that may result, directly or indirectly, in the Deliverables (i) being exported and/or re-exported to any destination and party (may include but not limited to an individual, group and/or legal entity) , if export, sale, supply or transfer of the Deliverables to such destination or party is prohibited or restricted by the International Trade and Sanctions Controls applicable to the Seller and/or Deliverables; or (ii) being used for those purposes and fields prohibited or restricted by the International Trade and Sanctions Controls applicable to the Seller and/or Deliverables. Buyer also agrees that the Deliverables will not be used either directly or indirectly in any missiles; nor be used in any nuclear weapons delivery systems; and will not be used in any design, development, production or use for any weapons which may include but not limited to chemical, biological, or nuclear weapons, or for any other prohibited end-use or end user unless authorized under International Trade and Sanctions Controls.
- 1.3.** Buyer represents and warrants that it shall maintain reasonable compliance policies, procedures and controls designed to ensure compliance with International Trade and Sanctions Controls and shall not otherwise undertake any action that violates or would cause Seller, Schneider Electric or its affiliates to violate International Trade and Sanctions Controls.

- 1.4. Buyer agrees to fully cooperate and provide all documentation that Seller identifies as necessary or advisable to support compliance with International Trade Controls, including but not limited to the end use statement attached as Appendix 1.
- 1.5. Buyer undertakes to use best endeavors to recover the Deliverables that are exported and/or re-exported in violation of paragraph 3(i) of this clause from any destination or party prohibited or restricted by the International Trade and Sanctions Controls applicable to the Seller and/or Deliverables.
- 1.6. Seller shall have a right to suspend performance of all obligations under the relevant order or under this Agreement, if: (i) any necessary or advisable licenses, authorizations or approvals are not obtained, whether arising from inaction by any relevant government authority or otherwise, or (ii) any such licenses, authorizations or approvals are denied or revoked, or (iii) the International Trade and Sanctions Controls would prohibit Seller from fulfilling any order, or would in Seller's judgment otherwise expose Seller to a risk of liability under the applicable International Trade and Sanctions Controls if it fulfilled the order, or (iv) the Seller becomes aware that the Deliverables were exported or re-exported in violation of paragraph 3(i) of this clause.
- 1.7. The Seller may resume the performance of obligations under the relevant order or under this Agreement, once (i) the Buyer obtains the necessary or advisable licenses, authorizations or approvals; or (ii) the applicable International Trade and Sanctions Controls are amended or revised, or any new International Trade and Sanctions Controls are adopted that authorize the Seller to fulfill the order or take other required action without any licenses, authorizations or approvals; or (iii) the Buyer confirms in writing that the Buyer has used best endeavors to recover the Deliverables exported and/or re-exported in violation of paragraph 3(i) of this clause. If the Buyer fails to comply with paragraph 8(iii) of this clause for 6 months, the Seller may terminate the Agreement and will not be liable for any losses of the Buyer associated with such termination.
- 1.8. Buyer shall be responsible for and shall indemnify the Seller against all liability, losses, administrative fines, damages, and expenses (including reasonable attorney's or other professional services provider's fees) resulting from the (i) Buyer's non-compliance with or violations of International Trade and Sanctions Controls, or (ii) the Buyer causing Seller to be in non-compliance with or to violate such International Trade and Sanctions Controls, or (iii) the Buyer violating this clause (regardless of whether such violation results in a breach of the International Trade and Sanctions Controls by the Buyer or the Seller).
- 1.9. Buyer shall annually provide (i) an updated end use statement and (ii) an additional certification, certifying that the representations, warranties, and covenants in this clause remain accurate.
